SUMMER SPECIAL

Additional Options

The only additional options we have that are NOT included in this package are listed below

DJ Options:

"Night Under the Stars" Lighting

You and your guests will be amazed at Sure Shot's laser light effect show. This light produces a "universe of stars" that will absolutely wow spectators. Add romantic ambience to your wedding dance floor or turn your event into a night no one will ever forget. Limited supply, so reserve our "Night Under the Stars" lights today.

\$285.00

"Initials" in Lights

Add a high end effect at an affordable price with our "Initials" in Lights effect. This light projects your initials, name, or logo onto the dance floor or wall. Please call for font options to choose from, or customize your own. We will need 8 weeks' notice for this option.

\$200.00 (available in 4 choices)

Call for pricing, or customize your own.

Ceremony Music

Available for ceremonies that are being held at the same venue as the reception but in a different space from the main reception room.

\$225.00

Additional Sound

Additional sound is available for parties of over 300 people.
